Tablet counting lines

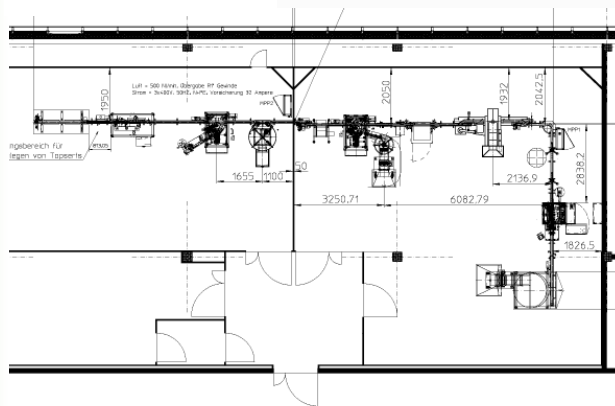

Turnkey projects

Packaging machinery

## Deckert: tablet counting lines: right down the packaging line!

*Right: Cremer tablet counter with cottoner in tablet counting line. counter*

Seeking a tablet counting line, but need that bit more?

Wad insertion?

Automatic feeding of desiccant sachets?

Topserter or outserter leaflet application?

We offer here a complete turnkey service, from bottles in on rotary table (right), or unscrambled, through bottle air cleaner (below), wad insertion,

desiccant insertion, tablet counting, with inspection if required, capping, with option of integrated labelling, special label application though to end packaging.
